

Two Spectra Food Services & Hospitality Properties Recognized in PETA's Top 5 Vegetarian-Friendly Minor League Ballparks in 2015

July 28, 2015 (Lutz, FL) – Two Spectra Food Services & Hospitality properties – the Pensacola Bayfront Stadium in Pensacola, FL and the MGM Park in Biloxi, MS are listed on PETA's (People for Ethical Treatment of Animals) 2015 List of Top Five Vegetarian-Friendly Minor League Ballparks. PETA is the largest animal rights organization in the world, with more than 3 million members and supporters.

Spectra Food Services & Hospitality (formerly Ovations Food Services) operates at more than 140 facilities throughout the United States and Canada, including Major and minor league baseball parks, National Football League stadiums, arenas, convention centers, casinos, fairgrounds and cultural attractions.

The Pensacola Bayfront Stadium in Pensacola, FL, home of the Blue Wahoos, made its first appearance on PETA's list this year in the number four position, thanks to its black bean burgers, veggie sushi rolls, made-to-order fruit smoothies and assorted salads.

MGM Park, home of the Biloxi Shuckers also made its debut on the list at number three, thanks to a lot of tasty vegan fare throughout the stadium, including spiced black bean burgers, veggie dogs and other summertime treats.

"At Spectra Food Services & Hospitality, we strive to achieve new levels of operational excellence," said Spectra's Affonso Jefferson, General Manager of Food Services & Hospitality at Pensacola Bayfront Stadium. "This recognition is truly reflective on our desire to provide our fans with the highest quality experience each and every time they visit."

"We always seek new ways to enhance the customer experience," said Spectra's Mike Brulatour, General Manager of Food Services & Hospitality at MGM Park. "For the customer that opts not to eat meat, we have designed some tasty delights. It's quite an honor to be recognized for our vegetarian selections."

"MGM Park hit a home run for animals with their tasty meat-free options!" said PETA Special Projects Coordinator, Cait Woods.

Providing fans a fresh-food approach with a high regard for customer satisfaction is part of Spectra's Everything's Fresh philosophy. Spectra has had several client facilities make PETA's list in the past including Werner Park, home of the Omaha StormChasers; AutoZone Park, home of the Memphis Redbirds; and Raley Field, home of the Sacramento River Cats.
