Says Mike Mascioli, VP of Mascioli Entertainment: "I will never lose my passion for buying and promoting national tours, especially when bands like Five Finger Death Punch and Papa Roach stay loyal by sticking with independents like myself. And with the massive success of this same tour in the States and Europe, I'm thrilled to be able to bring them to Canada!" Daniel Glick, Director of Concerts & Events for Evenko adds: "Fans spoke and we listened. We worked really hard with both bands to make this happen. They've been on our must-have list for a while now and announcing this tour is very exciting. We look forward to seeing Five Finger Death Punch and Papa Roach this fall in Canada".

FIVE FINGER DEATH PUNCH and PAPA ROACH actively involved the fans by giving them the opportunity to request the tour come to their city via a "demand campaign" housed at <http://demand.fivefingerdeathpunch.com/> and <http://demand.paparoach.com/>. An overwhelming 60,000 Canadian fans responded to the call to action and made their voices heard.

Zoltan Bathory (guitar) of FIVE FINGER DEATH PUNCH states: "We took this Demand Campaign everywhere. We had huge success with it in the USA, and in Europe it even won the "Arena Tour Of The Year" award... It's not surprising in a way as it is inclusive of the fans - they vote and we are listening. What a concept, right? Nobody learns from talking, you learn from listening."

"When we did this tour last year in the USA, it was truly the Best Tour Ever. We heard from so many of our Canadian fans that really wanted to see this show - so we're bringing it to them. Really cannot be more excited to go back - even heading east of Quebec. This is one show you won't wanna miss." says PAPA ROACH vocalist, Jacoby Shaddix.

FIVE FINGER DEATH PUNCH AND PAPA ROACH previously co-headlined American and European arenas to great success last Fall and won the prestigious "Arena Tour Of The Year" award from the German Promoters Association.

Special guests on the tour will be SIXX:A.M., whose single, "Rise" is currently #3 on the Canadian Rock Chart. Their recent April 29 global release of *Prayers For The Damned, Vol. 1*, debuted at #1 on the US Independent Album Chart, #2 on the US Rock Albums Chart, #7 on Canada's Billboard Top 200 Chart, and in the Top 5 Album Chart around the globe. Vocalist James Michael says: "We've been getting tremendous support for our new single "Rise" from the fans and from Canadian radio. We are thrilled to be touring Canada this fall with FFDP and Papa Roach!"

Support comes from newcomers FROM ASHES TO NEW who will play songs from their debut Better Noise Records release, *Day One*, including "Through It All" and "Lost And Alone", to audiences all across Canada. **Five Finger Death Punch's** highly acclaimed sixth album, *Got Your Six*, hit new sales heights for the band around the world with its September 2015 debut, amongst them a #3 debut in Canada. In the U.S. it claimed the #1 spot on the Top Album chart, #1 on the Overall Digital Album chart, and #1 on the Hard Music Album chart, as well as #2 on the *Billboard* Top 200, and sold 115K in the first week of release. This was the first #1 Album for the Las Vegas hard-rockers. Impressive chart numbers also rolled in from Australia, Germany, Sweden (#5) and the UK (#6), to name a few. Five Finger Death Punch have grown exponentially in just a few years, racking up 16 consecutive US top 10 hits, five #1 hits, four gold and one platinum album. With the release of 2013's *The Wrong Side of Heaven and the Righteous Side of Hell* Volume 1 (recently certified gold) and Volume 2, the band created continuous new content with which they outsold the majority of bands in their genre, selling 2 million albums over the past three years in North America alone. The band is currently taking *Got Your Six* around the world touring throughout 2017. For more info on the band, visit: [www.fivefingerdeathpunch.com](http://www.fivefingerdeathpunch.com)

**PAPA ROACH** released their 8<sup>th</sup> studio album F.E.A.R. in January of 2015 which featured the #1 single, "Face Everything And Rise", and the Top 5 single "Gravity" featuring Maria Brink of In This Moment. As of June, the band has headed back into the studio to create their 9<sup>th</sup> studio album, reinvigorated by F.E.A.R.'s success and the incredible tour cycle that followed, and eager to bring fans more music. "Papa Roach's Jacoby Shaddix is the human equivalent of an energy drink. He is a firecracker who also happens to be keenly self-aware, candid to a near-fault ... but he hasn't lost any of the spark that helped propel Papa Roach to multi-platinum status..." says Alternative Press. 2015 marked the 15<sup>th</sup> Anniversary of **Infest** the band's breakthrough album, which has sold over 8 million albums to date.

**SIXX:A.M.** is Nikki Sixx, Dj Ashba, and James Michael. Their current album, *Prayers For The Damned, Vol. 1*, debuted at #1 on the US Independent Album Chart, #2 on the US Rock Albums Chart, #7 on Canada's *Billboard* Top 200 Chart, and in the Top 5 Album Chart around the globe. The band has spent most of 2016 on the road playing major U.S. and European festivals during which they initiated a surprise call-to-action for fans to gather somewhere near the venue for an intimate impromptu acoustic set, using the hashtag, #sixxamhitandrun across their social media platforms for location details. Canadian fans can expect the band to continue this tradition on the tour. Go behind the scenes with the band on their most recent "Tale Of Two Cities" [HERE!](#)

**FROM ASHES TO NEW** come fresh off their debut Better Noise Records release, *Day One*. Their modern take on alternative music that integrates rapping seamlessly, **FROM ASHES TO NEW** have been on the road since their inception, traveling with bands including Hollywood Undead, Papa Roach, In This Moment, Five Finger Death Punch, All Time Low, and PVRIS to name a few. Their hit-single, "Through It All", spent multiple weeks at #1 on Sirius XM Octane, climbed to the Top 10 at Rock Radio, and amassed over 4.5 million individual streams, making them a clear contender in the rock scene today. Prior to this highly-anticipated tour, the band will be bringing *Day One* to the masses all summer long on Vans Warped Tour 2016, beginning June 24th. Best summarized by Alternative Press, "**FROM ASHES TO NEW** bring nukes to a genre where everyone is playing with firecrackers."
