## **ORLANDO CITY SC AND SPECTRA BY COMCAST SPECTACOR SEEK RECIPES FROM FANS FOR NEW SIGNATURE DISH AT ORLANDO CITY STADIUM**

**ORLANDO, FL. (Feb. 16, 2017)** – In anticipation of the first Major League Soccer game at the newly constructed Orlando City Stadium, the Orlando City SC and Spectra by Comcast Spectacor, the providers of Food Services & Hospitality to the facility, are asking residents to dream up the ultimate menu item to be featured throughout the season at select concessions stands through a contest entitled “City Menu Matchup.”

Interested participants are encouraged to create a name for their menu item and then submit the recipe for the item using two to five of their favorite ingredients. This could include tacos, burgers, hot dogs, empanadas, and more, according to Spectra’s Charles Whitehead, General Manager of Food Services & Hospitality.

“Spectra is committed to providing innovative menu options for our guests,” said Whitehead. “By offering local residents the opportunity to share a favorite recipe that may end up on our menus, we aim to show the local community that we are excited to serve them and look forward to embracing local cuisine.”

Four finalists will be chosen and invited to the stadium where the concession items will be put to a vote after being prepared by Spectra chefs at the Orlando City House Party on Saturday, February 25th. The winning concession item will earn a spot on Spectra’s concessions menu for the entire season.

Entries must be submitted on line at [www.orlandocitysc.com/menumatchup](http://www.orlandocitysc.com/menumatchup). The deadline for entry is Monday, February 20, 2017.

The Orlando City SC will host the New York City Football Club at the new Orlando City Stadium on Sunday, March 5 at 5 p.m.
