SPECTRA LAUNCHES BIG TICKET SWEEPSTAKES TO CELEBRATE NEW MACON CENTREPLEX WEBSITE

Spectra by Comcast Spectacor is introducing a newly designed Macon Centreplex website www.maconcentreplex.org, and celebrating with the opportunity to win two tickets to every ticketed event at the facility until May, 31 2018.

Designed by Macon based M&R Marketing Group, this multi-functional, innovative website is the new information portal for events at the Macon Coliseum and Macon City Auditorium. The new site is accessible via one URL but exists as a three-in-one site, allowing the user to easily navigate between the Macon Coliseum and Macon City Auditorium sub-pages.

New features include interactive event calendars, scrolling spotlight banners at the top of the homepage and dedicated Guest Service pages for both facilities.

“At Spectra we seek opportunities that enhance the customer experience,” said Spectra’s David Aiello, General Manager, Macon Coliseum & Macon City Auditorium. “With our new website we can create an easy navigation path that helps customers make smart decisions when purchasing tickets to our events.”

As part of the celebration, Spectra announced The Big Ticket Sweepstakes, where the company will issue one lucky follower two tickets to every ticketed event at the Macon Coliseum and Macon City Auditorium from June 1, 2017 to May 31, 2018 and a \$25 Moonhanger Group gift card every month!

To enter the Sweepstakes, visit www.maconcentreplex.org or The Big Ticket Sweepstakes. Entries will be collected until Wednesday, May 31 2017 at 11:59PM. The Big Ticket Sweepstakes winner will be announced Thursday, June 1 2017, via the Macon Centreplex Facebook page.

Fans will enter to win a pair of tickets to every ticketed event at the two venues, including Macon Mayhem home games, 4th July Music Festival, McDonald's Choir Showcase and many more! Events will be continuously added to the venues' 2017-2018 schedule throughout the coming months.
