SPECTRA TO PROVIDE F&B FOR ORANGE COUNTY USL GAMES

The Orange County Soccer Club has selected Spectra to provide food and beverage services for all United Soccer League's 2017 home games. The services will be administered at Orange County Great Park's Field 4 in addition to the new Championship Stadium opening later this year. The partnership will be Spectra's fifth soccer property. "We wanted to team up with a globally-recognized sports and entertainment company, who also has strong ties throughout our region, to deliver a first-class experience for our fans," said OCSC GM and EVP of Soccer Operations Oliver Wyss in a statement.
